

Nombre: _____ Clase: _____

Alebrijes de Oaxaca

Directions: After reading the article, please answer the following questions in English and with any Spanish words you can.

1. Where are the woodcarvings made?

2. What materials and tools are used to make them? Why do they use the type of wood they use?

3. What are the usual subjects of the carvings?

4. What were the carvers making before they started making carvings?

5. How do the carvers learn their craft?

6. How do you think the "Alebrijes" are painted? Are they painted with the "real" colors of the animal or do they have colorful designs? Why do you think they are painted this way?
